Deadline: on a rolling basis
Start date: September 2021, Length: 6 months

DESCRIPTION

Established in early 2010, Euro Latina Finance is a truly independent financial advisory firm specialized in cross-border transactions between Europe and Latin America.

With fully operational regional offices and local teams in Paris, São Paulo, and Medellín, Euro Latina Finance provides tailor-made M&A and strategic advice to a portfolio of blue-chip clients. The firm typically advises minority and majority deals ranging from US\$100m to US\$1bn+ in transaction value across a wide array of sectors. Since its inception, Euro Latina Finance has advised 20 successful deals on a total of c. 55 M&A projects, including some of the most complex, transformational, and landmark cross-border transactions into/from Latin America.

Euro Latina Finance has built its track record based on a strong DNA which combines an utmost attention to confidentiality, a low-profile approach, outstanding dedication, a constructive fighting spirit, and a precise understanding of the impact of cultural differences on M&A negotiations.

To support our São Paulo office, we are currently offering a 6-month internship position starting in September 2021. The intern will work as part of an integrated team, with frequent interactions with our three offices and high exposure to ongoing crossborder transactions related to Latin America.

On a case-by-case basis, the position could be renewed or lead to a full time offer in our office in São Paulo with possible career evolution in Europe.

REQUIRED SKILLS

The candidate will be native or fluent in Portuguese and English. A good command of Spanish and/or French is a plus.

The candidate will be a highly entrepreneurial-driven and quick-learning individual, keen on working as part of a very cohesive team.

The candidate will possess a solid background in finance, strong communication skills, exceptional sense of rigor and attention to details and be capable of working efficiently under time pressure. The candidate is also expected to maintain strict confidentiality on the transactions he/she will be participating in.

YOUR PROFILE

Candidates must have completed at least half of their curriculum (5th semester), with high academic credentials from a leading business and/or engineering school and/or top-tier university

Candidates who have had (i) previous investment banking/private equity/audit internships and/or (ii) prior international exposure shall be preferred, but we will also consider, on a selective basis, those with other relevant experiences.

All applications are reviewed on a rolling basis, so please submit yours as soon as possible through the following link: <https://euro-latina-finance.sainoo.com/>

If your application is selected, you may be offered to take an online test in corporate finance as first step of our recruitment process.
